Targets

All cardboard targets are deemed as impenetrable, and "pass-through" will not be counted as multiple scoring impacts.

“No Shoot” Targets - Stages of fire may involve designated "no shoot" targets, denoting hostages or innocent bystanders.

These targets may be designated in various ways, and may require a judgment call by the competitor. An example of this may require the competitor to engage only targets that are visibly armed, with unarmed targets being considered "no shoot" targets.

Scoring Steel - Steel will consist of round or square plates, "pepper popper"-style targets, or "flash"/"flag" targets. All steel targets must fall or turn 45 degrees to be scored. Steel may not be engaged closer than 10 yards.

Hardcover Steel - "Hardcover" targets may be used to obscure other scoring targets from point of view or aim. Hardcover impacts will not be assessed as penalties.

Reactive Targets - Other reactive targets may be deployed during a course of fire. Descriptions will be given during the match briefing.

Holsters

Any IDPA, concealed-style, or tactical-style holster is allowed. Shoulder rigs, vest-mounted, "small of back", fanny packs are not allowed. Handgun holsters must be attached to a belt or be securely attached to the body, and cover the trigger. For safety reasons, the removal of holsters during the match is discouraged.

Allied Equipment

Equipment, such as slings, holsters, or magazine pouches may not be removed at any time during a course of fire to provide better mobility for the competitor unless, instructed by a range officer or described in the stage briefing.

Slings

Tactical or single-web slings are allowed on shotguns and rifles. Slings may not be added or removed from a competitor's weapon once the course of fire has begun.

Cold Range

All weapons are to be unloaded prior to the commencement of the match.

Loading/Unloading of weapons will be performed only under the direction of a Range Officer.

Match Disqualification

Downed Weapon - Any weapon dropped on the range before, during or after a course of fire will result in a match DQ.

180 Degree - Any weapon pointed in a rearward direction during a course of fire will result in a match DQ.

Sweeping/Covering - Any competitor's muzzle/barrel that points or covers any competitor's body or portion of body at any time during the match will receive a match DQ.

Accidental/Negligent Discharge - Any bullet not directed at an intended target, or impacting within 3 meters of the competitor, or any bullet that goes beyond the berm/designated impact area will result in a match DQ.

Unsportsmanlike Conduct - Taunting/Heckling another competitor, intentionally altering/damaging another competitor's gear, arguing with a range officer will result in a match DQ.
